ABOUT THE TRAINER

All Leading Answers training courses are taught by Mike Griffiths with no substitutions. Mike was involved in the creation of the agile method "DSDM" in 1994 and has been using agile methods (Scrum, XP, FDD, and DSDM) in a variety of business and technical domains for the last 14 years. He is active in both the agile community and traditional project management circles. Mike serves on the board of the Agile Alliance and the Agile Project Leadership Network (APLN). He was a contributor to the PMBOK v3 Guide and is a trainer for the PMI SeminarsWorld program.
